DETAILED ACTION

Claims 1, 18, 19, 21 and 22 are allowed. The following is an examiner's statement of reasons for allowance: the primary reason for allowance of claim 1 is the inclusion of the limitation "wherein said wherein said moveable assembly is articulated to provide at least three degrees of freedom for the flat panel display relative to the base, and wherein the movable assembly includes a proximal end and a distal end, at least one link disposed near the computer housing base, a shape-memory metal shaft disposed within said at least one link, and wherein said shape-memory metal shaft is looped at least once from said proximal end to said distal end." The remaining claims depend, either directly or indirectly, from claim 1 and are therefore allowed for at least the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
